# Our Specialities

## Limb Salvage Centre

Advanced care for diabetic foot, gangrene, arterial disease, and non-healing wounds. Prevent amputation with expert vascular & plastic surgeons at Bangalore Hospitals.

## Radiology & Preventive Imaging

Fast, accurate, low-radiation diagnostic imaging with global standards of care.

## Cardiology

Our expert cardiologists provide advanced diagnostic and interventional care for a wide range of heart conditions.

## Cardiothoracic Surgery

Advanced surgical care for heart, lung, and chest conditions—delivered with precision and compassion.

## Plastic, Reconstructive & Aesthetic Surgery

Expert surgical solutions to restore function, enhance appearance, and boost confidence.

## Oncology

Compassionate, comprehensive cancer treatment backed by expert specialists and advanced technology.

## Gastroenterology

Expert care for digestive disorders using advanced diagnostics and minimally invasive procedures.

## Spine Surgery

Comprehensive care for spinal conditions, from conservative treatments to advanced surgical interventions.

## Hand Surgery

Expert care for hand, wrist and upper limb conditions, combining precision surgery and personalized rehabilitation.

## Neurosurgery & Neurology

Expert diagnosis and treatment of neurological disorders affecting the brain, spinal cord, and peripheral nerves.

## Nephrology & Urology

Comprehensive kidney, urologic, and uro-oncology care—delivered by a multidisciplinary team using advanced technology and precision techniques.

## Orthopedics & Sports Medicine

Expert care for bones, joints, and sports injuries—restoring mobility through advanced surgical and rehabilitative solutions.
